Have a Willing Heart & Change a Life ~

Together with you, we are working to minister to those in the community who are suffering from cancer. We can support our sisters and brothers through prayer, but there is another way in which we can help as well.

Many cancer patients experience extremely dry hands and lips as a side effect of chemo and radiation treatments. Our goal, once again this year, is to provide each cancer patient in our area with a soothing Satin Hands or Satin Lips Treatment Package to alleviate this discomfort.

But we need YOUR help!

When you purchase a Satin Lips Gift Set for only \$22, or a Satin Hands Gift Set for \$36, we will donate it to a local hospital or cancer center in your name to be given to a patient undergoing treatment in their facility.

Over the last 8 years, because of the generosity of people like you, we have donated thousands of gifts to our local treatment centers to ease the dry skin discomfort for patients.

Will you join us again this year as we strive to donate 1200 gifts?

Each gift will be lovingly hand packaged and will have this beautiful poem attached along with your name.

*"Hope sees the invisible,
Feels the intangible and
Achieves the impossible."
You are loved...*
